Sir,

With reference to your
Docket No. 3860 and 465 dated
11th/14th June 1904 and 23rd/26th July 1904 Respectively forwarding for report
a cutting from the "Mysore Standard
of the 1st June 04, re. the Government
Annachatram at Banavar, I
have the honor to state that
Mr. K. Matthan,

Mr. K. Matthan, General Assistant Commissioner, who was deputed to enquire into the matter reports in his Docket No. 61 dated 27th — ultimo (copy enclosed for information), that the allegations contained in the correspondence are not well founded, and that feeding is conducted properly in the Chattram.

2. As to the transfer of the Chattram to Arsikere I beg to state that from enquiries it is learnt that there is necessity for the Anna Chattram at Ba= =nawar, which is a Railway Station and is frequented by travellers. — I would therefore suggest the transfer of the Sandasi Chattram to Arsikere as Sandasi is not now

now much frequented by travellers since the opening of the Railway through Assikere, and since Hassan - Assikere Road via, Harnahulli, (the, comersion of which into a Provincial Road has been repeatedly urged) has become the main road from Hassan to Assikere.

I have the honor to be
Sir,
Your most obedient Servant

Enclosure No. 3.

His docket No 2588/mis dated 17/20

June 1904 forwarding copy of the
Mysore Secretary's No 3860 dated 11th idem
in re: the alleged mismanagement of the
Annachatram at Banavar.

With reference to the above, has
the honor to state that during the last
Jamabandi of the Arsikere Taluk, the
undersigned made particular enquiries
regarding the management of the Annachatram
under reference. The correspondent
of the Mysore Standard of the 1st June,
states that the use of this Chatram
is confined to feed its own establishment
and further

and further to look after the
Comforts of the Taluk and District
Officials while on travelling. It
is true that the Chattram Servants
receive rations, but that is done
under due authority. Establishments
of Officers on tour are frequently
accommodated at the Chattram,
but they receive neither rations nor
cooked foods. Bonafide travellers arriving
at all reasonable hours are supplied with
rations or cooked food as they may desire
— if they ask for the same. As far as
could be ascertained there had been
no complaints from travellers that
they were not given food or rations
or that they were not accommodated
at the Chatram. The undersigned
has no hesitation in stating that
The allegations under reference are
entirely unfounded.

2. With regard to the question of
transferring the Chatram feeding
from Banavar to Arsikere, the undersigned
has the honor to forward herewith report
No 4 dated 16th August 1922 received
from the Amildar of Arsikere on the
subject. The undersigned fully agrees
with the Amildar in thinking

there is a real necessity for a Chatram at Banavar - If it is necessary to have an annachatram at Arsikere, the feeding at the Ganesa chatram may be stopped and transferred to Arsikere.

3. The cutting from the 'Mysore Standard' received with the docket under reply is herewith returned.

Letter no 156 of 3d Septr 05 from the Dy Commr of the Hassan Dist reporting on the transfer of the chattram at Gundasi to Arsikere

Subject no 519 of the D R A. Proceedings of Octr. 1904 regarding the transfer of the Anna chattram at Banavar to Arsikere.

~~Inspection notes of the Mysore Secretary on the Subject~~

Order thereon no.

In the D. R. A. Pro. of Octr 1904 read above, it was represented that, as it was very hard for travellers to get food at Arsikere, the Anna chattram at Banavar might be transferred to Arsikere.

The Dy Commr reports that the Anna chattram at Banavar, which is a Railway Station frequented by travellers, is a real necessity and that Gundasi is not much resorted to

to by travellers. Since the opening of the railway through Arsikere and suggests that the chattram at Gundasi may be transferred to Arsikere.

During the inspection of the chattrams at Gundasi and Banavar by the Inspn Secretary in Septr. last, he found that the chattram at the former place was not much frequented by travellers while the chattram at Banavar was found to be in good working order and well utilized by travellers.

The Supt. observe that Banavar is an important place and as such, it is not desirable to shift the existing chattram from here and they accordingly direct that the ~~feeding at the Gundasi~~ chattram at Gundasi may be ~~Stopped and~~ transferred to Arsikere.// The Dy. Comm. is requested to ~~do the needful~~ take the needful action in the matter and submit a report ~~in respect of accomodation to be accommodated travellers etc. and report the action~~ to this Office at an early date. ~~taken for the intern of good~~

Since the transfer of Amrachatram from
